'21JUN4AM8:55 REC

III. School Committee Acknowledgment of our D-Y Retirees (Enc. 3)

Representative Tim Whelan

Senator Julian Cyr

IV. Reports

DYRSD School Committee Student Representatives – Tainan Nunes and Grace LePain

School Committee Liaisons to the Boards of Selectmen

Building Committee Report – Joseph Tierney

Superintendent Report – Carol Woodbury

a. High School Music Program Revolving Account (Enc. 4a)

Motion: Vote to approve the establishment of a revolving account to fund the high school music program. The account would be supported by user fees of \$25.00 per activity capped at \$50.00 per student, per school year.

Motion: Vote to approve the transfer of \$43,955.35 to the high school music program revolving account from Account 150.90.70.400.9999.7200.0001.0910.

b. Statement of Interest – M.E. Small Elementary School (Enc. 4b)

Statement of Interest for M.E. Small Elementary School 2021

Motion: Move that the School Committee, in accordance with its charter, by-laws, and ordinances, has voted to authorize the Superintendent to submit to the Massachusetts School Building Authority the Statement of Interest Form that will be submitted to the MSBA no later than June 7, 2021, for the Marguerite E. Small Elementary School located at 440 Higgins Crowell Road, West Yarmouth, MA 02673 which describes and explains the following deficiencies and the priority category(s) for which an application may be submitted to the Massachusetts School Building Authority in the future Replacement, renovation or modernization of school facility systems, such as roofs, windows, boilers, heating and ventilation systems, to increase energy conservation and decrease energy related costs in a school facility. The Marguerite E. Small Elementary School needs significant renovation work in all major systems. The building exterior components, including roofs, doors, windows, and masonry have been cited as high-priority issues. The updated study in February 2020 by Bureau Veritas identified the same issues along with possible structural settlement of the loading dock, interior air quality issues, leaking sanitary and heat piping, and the building lacks fire suppression and ADA requirement issues.

Replacement of or addition to obsolete buildings in order to provide for a full range of programs consistent with state and approved local requirements. Current capacity and utilization is reasonable, however classroom layouts/floor plans and a size of about 900 square feet limits the kinds of educational activities that would reflect best practices for the grades and specialized services that must be provided within this school; and hereby further specifically acknowledges that by submitting this Statement of Interest Form, the Massachusetts School Building Authority in no way guarantees the acceptance or the approval of an application, the awarding of a grant or any other funding commitment from the Massachusetts School Building Authority, or commits the Regional School
