

YARMOUTH GOLF ENTERPRISE COMMITTEE
MEETING MINUTES
JUNE 12, 2023

Attending Committee Members: Ellen Chapman, Jay Fraprie, Doreen Levitan, Ted Deckel
Attending from the Golf Department: Scott Gilmore, Becky White
Attending from the Public: None

The in-person meeting of the GEC was called to order at 6:30 pm at the Bayberry Maintenance Building.

As there was not a quorum present at the opening of the meeting, the approval of the minutes from last month's meeting was postponed until the next meeting.

Public Comments: None

The Spring Passholder Meeting has been tentatively scheduled to take place at the Bass River Grill on June 26 at 5pm. A rain date is yet to be determined.

The Club Prophet System ran an unexpected update which caused some glitches in our program, but these have since been remedied and our program is running as it was before the update. Also, it has been noted that the Club Prophet System is still not posting the names of the other players who have booked the same tee time. There are no information updates on this issue.

GEC concerns include violations of the one-way routes into and out of the parking lots at Bass River and Bayberry Hills. These are safety and liability issues. Suggestions for remedying the situation include improved signage at both courses.

Membership cards are in process and information on obtaining them will follow once plans have been made.

The GEC and Golf Operations will ask the architect tasked with the renovation plans for Bass River to provide us with alternate plans based on the existing course since Bass River is no longer part of the wastewater treatment plans. Plans to include safety improvements.

The next meeting is scheduled for July 11 at 3pm, to be held at Bayberry Maintenance Building and Zoom will not be available.

A motion to adjourn was unanimously accepted at 8:25 pm.
