OWNER'S NAME _____ HOME TEL. NO. _____

ADDRESS WHERE EQUIPMENT WILL BE STORED _____

Before receiving year 2020 Disposal Installer Permit you must submit outstanding "AS BUILT CARDS." "As-built cards" must be submitted on a white Yarmouth Health Department card, using a straight edge, black pen, with legible numbers, as cards are going to be scanned into the computer for future use.

An "as built" plan of the system shall be required for final approval of the system. The property owner shall be notified of the failure to submit an "as built" or the use and occupancy certificate for the structure will be withheld or both.

Under Chapter 152, Sec. 25C, Subsection 6, the Town of Yarmouth is now required to hold issuance or renewal of any license or permit to operate a business if a person or company does not have a certificate of worker's compensation insurance. **The attached State Worker's Compensation Insurance Affidavit must be completed and signed.**

Town of Yarmouth taxes and liens must be paid prior to renewal or issuance of your permits. Please check appropriately if paid:
yes no

NOTE: Licensed Installers constructing subsurface septic systems per engineered plans must use an approved plan signed and dated by an Agent of this department, with the plan available on site during the installation of the subsurface septic system.

Final Inspection requests must be called in by 11:00 a.m. to this department.
