For eligibility, a qualified applicant must enter into a written tax deferral and recovery agreement with the Town of Yarmouth which will place a lien on the property to be recorded at the Barnstable County Registry of Deeds. Anyone having any legal interest in the property must also approve the tax deferral agreements, including joint owners, remaindermen and/or mortgagees.

Upon approval, the taxpayer is entitled to defer payment of all or a portion of their annual real estate taxes. Taxpayer must:

- Be 65 or older as of July 1.
- Have occupied the property as domicile as of July 1.
- Have owned property in Massachusetts for 5 years.
- Have had a domicile in Massachusetts for ten consecutive years prior to July 1.

- Federal income tax return or proof of prior year's income; must be submitted with application.
- A taxpayer who qualifies may defer payment of all, or a portion of, the taxes each year at 8% interest, provided the deferred taxes and accrued interest do not exceed 50% of the applicant's proportional share of the fair cash value of the property.
