AUTHORIZATION FORM

2019 Hazardous Waste Collections for Non-resident of host town(s) or "visitor status" Household Hazardous Waste Collection Participation

Cape Cod towns invite you to participate in this year's household hazardous waste (HHW) collections whether you are a resident of the host town or not. When you need to dispose of hazardous products at a host town location that you are not a resident of you must pay a disposal fee. The schedule on the back of this form lists 2019 collection dates, times, locations, and contact numbers. Call me at the number below for more information. Information about the HHW collections is also available on the Barnstable County website: www.loveyourlocalwater.org.

You may participate in HHW collections in your town or your town's host town for no cost, or attend other town's HHW collection **at a cost**. If you would like to participate as a 'visitor,' email this form to Kalliope at least one week in advance of the collection date to discuss the type and quantity of materials you plan to bring. **As a visitor (not a resident of the host town or member of regional hazardous waste collection, example Upper Cape residents have four free hazardous waste collections: Sandwich, Falmouth, Mashpee, and/or Bourne), you will not be allowed to participate without filling out this form, without receiving authorization from Kalliope, and paying for your waste at point of disposal.**

For visitor registration information and to make arrangements to participate in the collections, contact:
