

Hello Yarmouth Residents

May 7, 2021

This is Bruce Murphy Dir of Health, with a Coronavirus update.

Yesterday the Town moved down to yellow, after being a RED, HIGH RISK Community, for the last 7 consecutive weeks.

However, ongoing contact tracing CONTINUES, to report positive cases from dinner parties, birthday parties and sleep overs. This week saw a positive case from a young child birthday party that placed 20 children into quarantine.

Opportunities for vaccinations have increased, that now welcome people at walk in sites; for days and times call the Melody Tent, I will repeat the number twice 508-534-7103 again 508-534-7103

Harbor Community Health Center of Barnstable, call 888-503-0766, again 888-503-0766 along with PROMT scheduling at CVS on Station Ave and the Community College.

Governor Baker has announced plans for continued reopening.

On May 10, Road races will be permitted, outdoor water parks and theme parks can operate at 50% capacity.

Singing at restaurants will be permitted indoors with strict requirements

On May 29 there will be further reopening of venues.

Remember, we must continue to take precautions for protection of ourselves and others.
