## **Cape Cod Community College to Host COVID-19 Free Vaccination Clinics Throughout January 2022**

Cape Cod Community College will host twelve COVID-19 vaccination clinics that are free and open to the community throughout January 2022. The Commonwealth of Massachusetts is handling vaccinations and scheduling, while the College will provide facilities on their West Barnstable campus.

“As we look at the national and local landscape, with the Omicron variant of COVID-19 surging through our communities, it’s more important than ever that we come together and protect each other from the virus,” said John Cox, President of Cape Cod Community College. “Getting vaccinated remains the single most important tool in fighting back against this pandemic. We are proud to partner with the Commonwealth to be a host site for vaccination clinics, providing local access to people across our region.”

Twelve vaccination clinics will be hosted on the West Barnstable campus on the dates below. Clinics on Tuesdays and Thursdays will run from 8:30 a.m. to 1:30 p.m. and Sundays from 12:30 p.m. – 6:00 p.m.

• January 23

- January 25
- January 27
- January 30

Both Moderna and Pfizer doses are available for first, second, or booster shots. All clinics are open for anyone 5 and older. **Registration is required to book your appointment.**
