**CLOSED AREAS:** Private Shellfish Grants as marked.

**LIMIT:** Five (5) level Town approved legal limit bushel containers per day per permit holder. Two (2) permit holders per boat.

**SIZE:** Bay Scallops must have a well defined annual growth ring.

**LANDING AREAS:** Bay scallops may be checked in or landed at Englewood for Lewis Bay. Larger boats may make prior arrangements with Shellfish Constable.

**SPECIAL CONDITION:** When dragging for scallops, for safety purposes, one helper who possesses a State Bed Permit may assist a licensed Commercial Shellfisherman. Under this condition only one limit may be harvested.
